## WELCOME TO WEEK SEVEN!

The Big Malarkey Festival has sadly been cancelled, but we've made a new gallery on our website to capture some of the wonderful creations that children in Hull are making while we all stay at home.

Each Monday we're offering a different inspiration and invite you to send a picture of what you've made to us by the end of Friday and we'll put on the festival website for everyone to enjoy!

Don't forget to let us know your name and age.

**HAVE FUN!**

## VISUAL TRICKERY

WEEK #7  
MON 8 JUNE

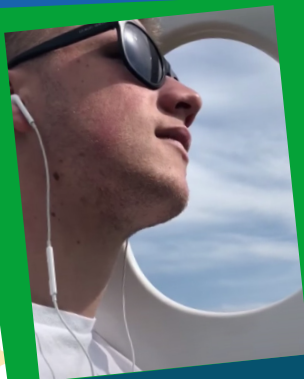

# CREATE AN ILLUSION...

Take a look at this video - [www.youtu.be/jmx66VGps9c](http://www.youtu.be/jmx66VGps9c)

It's one of the many gags and visual jokes that kept our spirits up at the beginning of lockdown.

It's all about creating an illusion of being in one place, and then revealing where you really are. Can you have a go at creating your own visual gag? Think about props you might need to create the illusion, like this man's hat and goggles.

Some illusions depend on seeing an object really close up, so that it looks like something else - and then revealing what it is...

Have a go yourself, and send us your stuff!
