

JUNE 2021

THE BIG MALARKEY FESTIVAL

HULL LIBRARIES' CHILDREN'S FESTIVAL

SPONSORSHIP

Calling all Hull businesses...
Here's a great opportunity for
businesses to help us to help our
children get back on track!

Help us invest in our city's children!

WHY A CHILDREN'S FESTIVAL?

Hull Libraries' school and family festival was launched in 2017 as a celebration of everything the Library offers to children and young people in the City.

With a fun, quirky yet mind-stretching school and family programme of over 100 events, the festival has engendered fantastic feedback from children, teachers and parents alike.

Sadly cancelled in 2020, the festival in 2021 offers a great opportunity for businesses help children get back on track with their learning and self-confidence.

CAN YOU HELP US TO HELP CHILDREN GET BACK ON TRACK?

The Big Malarkey Festival will be back from 21 – 27 June 2021 – welcoming children and families back to a safe space.

The Festival is all about developing:

- ★ Skills
- ★ Creativity
- ★ Innovation
- ★ ...whilst having fun!

This year, more than ever, families and schools need extra support. Studies show that children's mental health has been badly impacted by lockdown, with increased anxiety, loneliness and worries about their education and their future

Help us to help them recover, by making a donation to The Big Malarkey Festival or becoming a festival sponsor.

“ *It was fantastic! Please continue to run this event every year!* ”

**OVER THREE YEARS WE
HAVE DELIVERED MAGICAL
EXPERIENCES TO:**

- ★ 19600 people
- ★ 90 events for schools, from nursery to Year 9
- ★ 200 events for families
